TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air brake.

It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S BARRETT, Southern Passenger Agent, Postoffice Box 242, Chattanooga Tenn., or to the undersigned.

General Ticket Agent, St. Louis.

The Evening Post.

WILMINGTON, N. C.

Thursday, December 4th, 1873.

In contrast to the action of the Democrats in the lower House of Congress, is the determination of the Republican caucus of the members of the same House. On Monday night, it was determined, at a meeting of the Republican members, that a bill should be introduced, looking to a repeal of the salary act, so far as it gives $7,500 to Congressmen. Senator Conkling, too, has already introduced "a bill relating to certain moneys appropriated for members of Congress," which refers to the back pay. What are the Southern Democrats going to do about it?

Last summer one of the vilest stories concerning Senator Matt Carpenter, of Wisconsin, was originated in the New York *Tribune*, and copied into almost every Democratic paper in the country. It was to the effect that Mr. Carpenter had been refused admission into a hotel at Long Branch, on account of his being intoxicated, and accompanied by a prostitute. The slander has recently been fully exposed, and the motive of the writer who first made it public. Of course no blame attaches to the papers who fell into copying the *Tribune*, provided they publish the refutation of the wretched falsehood. Will they do it?

EDITORIAL BUDGET.

— General Jubal Early and M. Victor Hugo are both incensed beyond expression by the report that they exactly resemble each other.

— Mike McCoole, the St. Louis pugilist, has been held in the sum of $10,000 on a charge of murder in the second degree. Patsey Manley was the victim.

— The Springfield Republican thinks that "probably a surgical operation will be necessary to get the notion out of Mr. Allen G. Thurman's head that he's in danger of being the next President."

— Robert E. Forsyth, who recently died at St. Louis, was a man of remarkable memory. He used to be a land dealer, and Abraham Lincoln, who was his attorney, related that he had at one time eleven lawsuits on hand, all the details and figures of which he carried in his head, without the assistance of even a scrap of paper.

— The Kansas City *Journal* has a private letter from Crockett, Texas, stating that a party of Texas desperadoes attempted to break up the performance of Robinson's circus at Jacksonville, on the 23d of November, but were prevented, and order was restored.—About 5 o'clock in the evening, however, as the circus men were loading their animals, wagons, etc., on the cars, preparatory to leaving town, a large number of roughs attacked the men with knives and pistols, and a general fight ensued, in which three Texans were killed and seven wounded. Robert Stickney, one of the performers, had his knee dislocated; Allen Rose, another performer, was shot through the hand; Charles Robinson was knocked down with a club and shot through the legs; one of the hostlers was shot through the breast and another stabbed in the back. As the train was leaving town it was fired into, and one man was slightly wounded. Threats were made by the Texans that they would go to Crockett again and attack the circus, and Robinson had sent to Houston for ammunition.

— The London *Hour* says, we learn from good quarters that by the privately expressed wish of Pius IX. the College of Cardinals have for some time consulted as to who would be the best person to elect as successor of the Holy Father, in the event of anything happening suddenly, or otherwise, to the latter. By a very considerable majority their selection has fallen upon Cardinal Pecci, Archbishop of Perugia, and there is little or no doubt but that he will be the next Pope. This prelate was born in 1810, and was made a cardinal in 1853. He has resided but little at Rome, having throughout all the period of his episcopate—since 1848—been a hardworking bishop. He is a man of very decided views, being what is called Ultramontane, but is of a very conciliatory spirit, and would, no doubt, live on terms of amity with the Italian government. He is of unblemished character, very religious and pious in his life, and greatly respected even by the free thinkers.

McAdoo's Hotel, in Greensboro, will cost $30,000 when completed.

GENERAL ASSEMBLY.

[Condensed from the Raleigh News.]

THIRTEENTH DAY'S PROCEEDINGS.

SENATE.

TUESDAY, Dec. 2.

The Senate met at 11 o'clock, Lieut. Gov. Brogden in the chair.

Messages Received.

From the House, transmitting a message from his Excellency the Governor, in regard to a report from the U. S. Ordinance officer at Washington City, with a proposition to print. Referred to the Military Committee.

From the House, transmitting a resolution in regard to public printing, asking the concurrence of the Senate therein.

A considerable discussion ensued on the motion of Mr. Cowles to lay on the table.

Mr. Cowles withdrawing his motion, Mr. Love called the previous question, which being sustained, the yeas and nays were called on the passage of the resolution, and resulted in a vote of 25 yeas to 15 nays.

Introduction of Bills.

By Mr. Flemming: A bill to provide for the adjustment and liquidation of the public debt of North Carolina. Referred to the Committee on State Debt.

By Mr. Flemming; A bill to incorporate the Yadkin and Watauga River Lumber and Draught Company. Referred to the Committee on Internal Improvements.

By Mr. Ellis, of Catawba: A bill to amend chapter 130, laws of 1848-'49.—Beferred to the Committee on Corporations.

By Mr. Ellis, of Catawba: A bill to authorize the appointment of commissioners to devise ways and means for the extension of the Carolina Railroad to Hickory Tavern. Referred to the committee on Internal Improvements.

Special Order.

At 12 o'clock the bill to insure the completion of the Western Railroad, was taken up as the special order.

Several amendments were offered and adopted, provided that the bill as amended should be referred to the committee and printed after it passed its second reading.

The bill passed its second reading.

The consideration of the bill to consolidate the Western North Carolina Railroad with the North Carolina Railroad, was next taken up as the special order.

The propositions of this bill are well known, as the title of the bill indicate the consolidation of theso two important thoroughfares named. The bill was introduced by Mr. Humphrey who accepted the various amendments offered by the Committee to whom the bill was referred as immaterial to the bill.

Mr. Waring offered the following amendment, which was discussed at considerable length:

Add after last word in 3rd section:

"But before the said bonds are executed, the President of the said Railroad Company or the officer appointed by the Board of Directors to hold issue and negotiate the same, shall give bond in the sum of $500,000 with sureties satisfactory to the Board and approved by the Governor, conditioned that the President or officer so appointed will well and faithfully discharge the duties imposed upon him, and faithfully account for and true return make of all bonds, monies, or other property which may come into his custody."

An amendment to the amendment offered by Mr. Norwood, that the bond should be $200,000, failed.

The yeas and nays being called on the passage of Mr. Murray's amendment, it was adopted by the following vote: Affirmative 27. Negative 11.

On motion of Mr. Humphrey, sections 6, 7 and 12 were stricken from the bill.

A number of other amendments were offered, and, pending the discussion of the same, the Senate adjourned till 11 o'clock to-morrow.

— It has been definitely decided upon that the Virginius will be delivered into the hands of our naval forces at some of our ports. No selection of the port has yet been made. Information received states that the Spanish authorities have taken the precaution to place the Virginius under the protection of the guns of the Spanish gunboats, and that other vessels have been so disposed as to prevent the volunteers from attempting to destroy the vessel, as has been feared by many. The Spanish authorities claim that the fleet is loyal, and will faithfully carry out the wishes of the Government at Madrid.

THE SUN.

:o:

WEEKLY, SEMI-WEEKLY, AND DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation, but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more are briefly as follows,

It is a first rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible, and interesting manner.

It is a first rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no color.—It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country and threaten to undermine republican institutions altogether. It has no fear of knaves, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle markets, to which it pays particular attention.

Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty six columns. Only $1 00 a year. No discounts from this rule.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. $2 00 a pear. A discount of 20 per cent. to clubs of 10 or over.

THE DAILY SUN.—A large four page newspaper of twenty eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or $6 00 a year. To clubs of 10 or over, a discount of 20 per cent. Address,

Resolutions

Concerning Bridges over Wilmington and Weldon Railroad in the City of Wilmington, N. C,

WHERRAS, THE "CUT" MADE BY the Wilmington and Weldon Railroad Company in the construction of their Railroad, where the same crosses or intersects the streets in the city greatly impedes the passage of travellers and tends to the manifest injury of the citizens.

AND WHEREAS, The Board of Aldermen are advised that it is the duty of the said Wilmington and Weldon Railroad Company to erect and maintain bridges across such cuts where the same cross or intersect the streets in the city, therefore,

BE IT RESOLVED BY THE BOARD OF ALDERMEN, That in their opinion the public necessity demands the erection of bridges at the following points where the said Railroad intersects the following streets to wit: Second Street, Third Street, Fifth Street, Sixth Street, Seventh Street and MacRae Street.

RESOLVED, That in the opirion of this Board, the width of the bridges over said Railroad cut or excavation on Second Street should be thirty feet wide, on Third Street forty feet wide, on Fifth Street forty feet wide, on Sixth Street Twenty-five feet wide, on Seventh Street, twenty feet wide, on McRae Street twenty feet wide.

RESOLVED, That in the opinion of this Board, the Bridge known as Boney Bridge, where the Railroad crosses Fourth Street, is so narrow as to impede the passage of travellers on the same, and that a bridge of fifty feet wide would be necessary to accommodate the public at that point,

RESOLVED, That the Mayor cause a copy of these Resolutions to be served upon the President or Managing Agent of the Wilmington and Weldon Railroad Company, and that he direct the officer serving the notice to return a copy thereof, with the manner of service, to the office of the Clerk and Treasurer of the City.

The above Preamble and Resolutions were passed by the Board of Aldermen at their meeting November 21st, 1873.

OFFICERS WOUNDED.—In the row last night officers Statcher and W. H. Howe received severe blows. Officer Statcher in attempting to arrest a disorderly person, was rushed upon by a crowd of men, who essayed to rescue the prisoner, knocked down and would have probably been killed, had not timely assistance come to him. Officer Howe in assisting to disperse the crowd and quell the riot, received a blow with a stick in the side which placed him *hors du combat* for some time.

REV. DR. PLUMER.—In speaking of this venerable patriarch of the Presbyterian Theological Seminary of Columbia, and universally popular old gentleman among all classes and religious denominations, the *Phœnix* says: "We had the pleasure of examining, in Mr. Bryan's bookstore, a portrait of this venerable divine, from the pencil of Mr. Albert Guerry. It is a triumph for the artist, being in attitude, color, expression and surroundings, as artistic and finished as it is life-like and truthful.—The head, which has been carried erect more than three score and ten years, is still stately, the features firm and expressive, the form unbent and majestic. Only the hair, which is silvered with white, and the snowy beard, which flows in waves down the breast, show the patriarch, far advanced in the journey of life. The likeness is superb, and altogether the effect of the picture is striking and eminently pleasing."

A negro girl at Chalk Level, Stokes county, recently gave birth to a child, placed it under a brush heap, set fire to the pile and consumed the body.

Wesley Medlin, who lives near Monroe, Union county, one day commenced experimenting with a powder flask and fire, and now he will never look on the beauties of nature again. So much for meddling with dangerous things.

We learn from the Raleigh *News* that the log cabin of a colorod man named Starlotte, in Swift Creek Township, this county, was burned night before last by the explosion of a kerosene lamp. A small girl was severely burned.

The Raleigh *News* says: Evan's *Independent* made it first appearance yesterday. It is a number one local paper, contains any quantity of well condensed State news, full of general news, with enough spice to season the dish. Only $1.50 per annum.

The Raleigh *News* says: on Tuesday morning, between the hours of 3 and 4 o'clock, the residence of Captain R. T. Fulghum, Fayetteville street, was entered through the dinning room window and robbed of some $200 worth of wearing apparel, and over $40 in currency. Captain Fulghum discovered what was going on just as the thief was making his exit. The burglar was a cool and daring one, as he went all through the house, and, from the traces he left behind, must have spent some time in Captain Fulghum's sleeping room. This is hard luck for any man to have, but when it falls on a newspaper man it takes a most aggravated shape, and our brother of the *State Agricultural Journal* has our profoundest sympathy. But there is a bright side to the dark picture: we are delighted to find out that there is one of the fraternity in these parts who had so much for any one to steal.

NEW YORK, December 4.

The Sun says that a private letter has been received in this city, showing that the Cubans have partly avenged the murder of the patriots taken on the Virginius. On learning of their execution Maximo Gomez attacked and captured a number of Spanish fortified camps in the vicinity of Santiago. He made over two hundred prisoners, and marching them close up to Santiago, shot them in full view of the Spanish fortifications, and then sent in word to Burriel to come out and bury them. Burriel left immediately for Havana.

Oliver Ames succeeds Oakes Ames as trustee of the Union Pacific Railroad.

A Key West dispatch says a draft for sixty-two men has been received the Pawnee, from New Orleans.

Admiral Scott has been informed from Santiago that the Commandant of volunteers has promised to use no futher violence towards Cuban prisoners without informing Commander Braine, of Juanita.

WASHINGTON.

WASHINGTON, December 4.

SENATE.—The committee on elections before which the case of General McMillan and Pinchback comes up consists of Morton, Carpenter, Logan, Alcorn, Anthony, Sumner, Mitchell, Hamilton, and Salisbury. The last two are democrats. The Radicals express great confidence that Pinchback will be seated. Others don't think so, unless after long and deliberate discussion.

Senator West has been placed on the committee on transportation.

HOUSE.—A committee of seven has been ordered on back pay and salaries. A dozen bills have been introduced to be referred to the Committee, when named.

CABLE DISPATCHES.

ENGLAND.

LONDON, December 4.

The Times in a leader on President Grant's message says the exercisal privileges in regard to freedom from search claimed for vessels bearing the American flag would confer immunity, on an open pirate. Such pretensions are indeed short sighted for a mercantile nation.

We cannot for a moment believe Congress will adopt the suggestion to prohibit national banks from paying interest on deposits. We do not agree with the President's financial remarks, generally, and think he is wrong in attributing the recent troubles to the peculiar character of the currency. The advice to return to specie payment would be more satisfactory if the President told the country how to do it.

The article praises the message for its moderation of tone in general, and on the Cuban question in particular, and says that England will unreservedly support the policy which requires that Spain must really as well as nominally control Cuba.

The Daily News says that the President's language concerning the Virginius affair is moderate and dignified.

The Daily Telegraph sees in the demand for the abolition of slavery in Cuba a menace which will greatly increase the difficulties of Castellar's situation.

The Standard thinks that the only result the threats against Spain will have will be to hinder an adjustment.

Jno. T. Ross, of Union county, a one armed man, one day recently picked out 116 pounds of cotton.

WEEKLY REVIEW

—OF THE—

WILMINGTON MARKETS.

SPIRITS TURPENTINE.—Opened strong at 36 cents, an advance of ¼ cent on the closing quotations of our last review, and with light offering and a good shipping demand, prices have continued to advance until they reached 37½ cents for merchantable, and 38 cents for selected packages. The receipts for the week foot up 2 031 casks.

CRUDE TURPENTINE—In this article we have no change to note. The market opened quiet but firm at $2 for hard and $2 90 for yellow dip, and has remained in a kind of dormant state up to the close of our review. The bulk of the receipts are placed on the distillers' yards, per agreement made between distillers and producers at the commencement of the season. The receipts during the week foot up 970 bbls., against 968 bbls, of last week.

TAR—Nothing of note has transpired in this market during our review week. Opening at the closing quotation of our last review, the market has remained unchanged until to-day, when an advance of 10 cents was effected, the market closing firm at $2 40. The receipts amount to 549 barrels, which show an increase of 166 bbls. over those of last week.

ROSIN.—This article rules steady for Strained, while the better grades are very quiet and inactive except for Extra Pale, which recently has been in demand, and the stock here is barely sufficient to supply the wants of shippers, The stock has accumulated in the New York yards and a very inactive demand in that market has caused, to some extent, a corresponding depression in our market. A steady market here, however, may confidently be expected in order to meet the wants of the foreign tonnage requiring cargoes. The market opened at $2 17½ for Strained, and under a steady shipping demand advanced to $2 25, a further advance to $2 30, under a supposed speculative demand, was effected, but was not sustained and the market quietly receded to $2 25, at which figure it closes firm. The receipts for the week foot up 11,314 bbls. To-day the market opened at a decline of 2½ cents on strained. The decline not being sustained it was regained and sales of 2,500 bbls. were made at $2 25.

COTTON—There has been no very great degree of activity in this staple during our review week, but however the market has not materially suffered from want of attention. The market for the first two days of our review was characterized by great firmness, and the advance recorded at the close of the previous *resume* of this staple, has continued until it reached 15½ cents for Middling. Ordinary Good Ordinary and Strict Good Ordinary are rather neglected and have not maintained the advance of last week.

The *resume* for the week is as follows:

FRIDAY—The market was very firm, and under an active shipping demand

ordinary 14¼c., Strict Good Ordinary 14¾c., Low Middling 15c., Strict Low Middling 15¼c., Low Middling 15¾c.

SATURDAY—The market was easier, but no change in quotations was noted; sales 18 bales.

MONDAY—There was a feeling of easiness noted and prices receded to quotations. Sales 61 bales Ordinary 12¾c., Good Ordinary 14c., Strict Good Ordinary 14¼., Low Middling 14¼c., Strict Low Middling 15c., Middling 15¼c.

TUESDAY—The same feeling recorded the day before was noted—buyers and sellers apart. Sales of 104 bales. Holders were asking: Ordinary 12¾c., Good Ordinary 13¾c., Strict Good Ordinary 14c., Low Middling 14¼c., Strict Low Middling 14¾c., Middling 15¼c.

WEDNESDAY.—The market was nominal. Holders were strenuously fighting off the effects of the depression in other markets and were asking the quotations of Tuesday.

THURSDAY—A further depression in Cotton is noted to-day, and a selling off of ¼ cent. Buyers offer quotations, but stocks are held higher. Ordinary 12¾c., good ordinary 13¾c., strict good ordinary 14c., low middling 14¼c., strict low middling 14¾c., middling 15¼c.

PROSPECTUS.

THE EVENING POST.

J. C. MANN,

EDITOR & PROPRIETOR.

Published every evening, except Sunday, at

Five Dollars per Annum.

The POST is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

TELEGRAPHIC,
BY MAIL,
COMMERCIAL
AND LOCAL.

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city.
Politically the POST is

UNSWERVINGLY REPUBLICAN.

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

EDUCATIONAL,
AGRICULTURAL,
MECHANICAL, or
COMMERCIAL,

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.
